## Financial Policy

We will file your insurance claims for you. We do request a copy of your current insurance card to ensure accurate billing. Please keep in mind we do not accept all insurances. If you do not have insurance or if your insurance does not cover the services you need from our clinic, payment is your responsibility. It is also your responsibility to confirm directly with your insurance company to find out whether or not we participate with them, and if they will cover the medical services being provided to you. If your insurance requires a referral, co-pay, deductible, or coinsurance, it is your responsibility to have it with you at the time of service. Failure to do so may result in us having to reschedule your appointment.

- **Medicaid Patients:** You must have a valid Medicaid card, presumptive eligibility, or letter/printout from your caseworker at every visit. We also require photo ID, which will be scanned into our computer system. Lack of this information may result in us having to reschedule your appointment.
- **Minors:** The parent/guardian accompanying the minor at the time of service is responsible for payment.
- We will request payment at the time of service. If this is not possible, we will expect you to make acceptable payment arrangements, prior to receiving service.
- You will receive at least two statements after to your visit at our clinic. If your account is not paid in full, or if you have not established an acceptable payment plan, we will refer your account to a professional credit bureau.
- The credit bureau will send you a notification that a payment is due. The letter will arrive at your last known address. You must respond to this letter, to avoid damage to your credit record. If you do not respond to this letter, your account will be listed for collection and your credit will be adversely affected.
- I understand and agree that if I fail to pay for services for which I am responsible, after such default and upon referral to a collection agency by Saint Alphonse Medical Group, I will be responsible for all cost of collecting monies owed, including court costs, and collection agency fees.

We are disclosing our policy to you now to avoid misunderstanding in the future.
